-  Riders can select any pickup or drop-off location within the onCall service area.
-  Riders can also select specific points outside of the service area, including locations listed above and specific locations on the Brown campus.

The Brown **onCall** shuttle provides point-to-point service to and from areas not accommodated by the Brown Evening Shuttle route. Only one guest is permitted per Brown ID holder, and that information must be included in your request. Riders can only board the vehicle with items that they can handle on their own, and that will not take up any additional seating. Alcoholic beverages are not allowed in the vehicle, even if they are in sealed containers. Please have your Brown ID ready to present upon boarding.
